

GREEN GATHERING

Have a read through this and then send us in an application!

We're looking for smiley, enthusiastic people over the age of 18 to steward with us at the Green Gathering this year. Being a steward at the Green Gathering is a great way to get your bearings, make new friends and contribute to the original off-grid festival.

Stewards' duties vary from parking up vehicles, guiding traffic, being a presence on site, tidying toilets, helping campers, working at the bus stop and a few other smaller jobs decided on site. One thing to bear in mind is that all the jobs do require a certain amount of mobility – the festival site is spread over a large area, and even the more stationary jobs require a fair amount of walking or standing. If this is something that may be a problem then please email us directly and we can chat through some options.

As a steward, you must be on site from 5pm (at the latest) on Wednesday 29th July until (ideally) midday on Monday 3rd August.

You will be required to work 3 x 6-hour shifts over the course of the weekend, leaving you with plenty of time to enjoy the festival!

You will receive 1 x nutritious vegan meal per shift, as well as your festival ticket.

Shifts will be anywhere between 8am-2am but most shifts fall between 10am-10pm.

New applicants are required to pay a deposit of £80; this will be fully refunded post event, along as you have fulfilled your 3 x 6-hour shifts.

Dogs are unfortunately not permitted we are only allocated a very small amount of “dog tickets” and these are set aside for core crew who have no option but to bring them.

If you are bringing children, they must have a designated adult to be their guardian while you are on shift. **This will need to be discussed via email for specifics of the children's tickets.**

If this seems like something you're up for getting involved in, then send over an application and we will get back to you as soon as we can!

If successful, please be aware that you will be required to attend a briefing at 5pm on Wednesday the 29th of July (you cannot be late, it is an **essential requirement**, please plan your travel accordingly)

Keep a look out in your emails for correspondence we will be sending over the coming months.

Will and the Steward Team
